MEMBERSHIP CATEGORIES

For more details on membership types, see <http://www.triwa.org.au/membership.htm#3>. For a full list of membership benefits, go to <http://www.triwa.org.au/membership1.htm>.

COMPETITIVE MEMBERSHIP: This is a full membership giving all possible rights of membership and is open to all members whether they choose to be a member of a club or not.

SOCIAL MEMBERSHIP: Only available to Club members. This is a reduced cost membership for friends, family and partners who do not participate in triathlons by training and competing but are very much part of the triathlon family behind the scenes.

Within the three levels of TWA membership there are various options:

FAMILY MEMBERSHIP: Only available to Club Members. This is a reduced cost membership for families of two (2) competitive adults and one (1) or two (2) competitive juniors (u/20) that live as a family unit at the same address OR one (1) competitive senior and up to three (3) competitive juniors. Additional persons should be registered individually. One (1) copy of all publications will be sent per family membership.

JUNIOR MEMBERSHIP: applies to athletes aged 19 or less as at 31 December 2009.

UNATTACHED MEMBERSHIP: applies to members who do not join a club at the time of registration.

Club membership is ADDITIONAL to Triathlon WA membership, otherwise, the unattached rate applies.

You can join as many clubs as you wish. However, the club you register with initially is your PRIMARY club. All other clubs are your SECONDARY clubs and you may join them directly once you are a member of TWA.
